# Intelligent Techniques For Planning

**intelligent techniques for decision support system in ...** - 16 intelligent techniques for decision support system in human resource management hamidah jantan 1, abdul razak hamdan 2 and zulaiha ali othman 2

**a.i. techniques for planning telecommunication networks** - a.i. techniques for planning telecommunication networks mario pickavet, chris develder, elise baert, piet demeester department of information technology (intec)

**book intelligent manufacturing and planning - tandfonline** - planning by employing knowledge-based techniques. intelligent manufacturing planning has emerged as a promising resort in the competitive global market where manufacturing industries are striving to reduce development and lead times by eliminating manual procedures. the book consists of eight chapters and addresses a variety of related subjects. overall, the book presents a comprehensive ...

**a review of motion planning techniques for automated vehicles** - a review of motion planning techniques for automated vehicles david gonzález, joshu ´e p ´erez, vicente milan ´es and fawzi nashashibi abstract—intelligent vehicles have increased their ...

**planning and intelligent systems - semantic scholar** - planning and intelligent systems1 by michail g. lagoudakis tr-96-2-1 abstract planning, as an inseparable component of intelligent behavior, became a research interest as early as ai was founded. the possibility of an automated planning system has been studied at different levels of complexity and over a wide area of application domains. many methodologies have been proposed and several ...

**what can automated planning do for intelligent tutoring ...** - in this paper, we build on the latest in automated planning techniques to develop a generalized framework for course-independent design of intelligent tutoring systems (itss). this is meant to provide targeted and personalized assistance to students, in order to meet the demands of the increasing class size, as well as help instructors who can use higher level specifications to design ...

**intelligent planning: a decomposition and abstraction ...** - intelligent planning: a decomposition and ... yang’s book provides a set of basic techniques for generating plans and a set of formal and empirical tools for evaluating and comparing them. the book is divided in three parts. the first part is devoted to the fundamentals of planning. its title is representation, basic algorithms, and analytical techniques. the second describes the “divide ...

**intelligent techniques for resolving conflicts of ...** - intelligent techniques developed for knowledge conflict resolution. this paper focuses on some of the key intelligent techniques for conflict resolution in multi-agent decision support systems. it focuses on the part of agents’ knowledge conflicts and it discusses seven techniques: bayesian network, case based reasoning, expert systems, fuzzy systems, genetic algorithms, ontological, and ...

**planning for intelligent platforms - tessella** - the development of intelligent platforms involves harnessing a variety of advanced technical computing techniques in order to provide clearer visualisations and faster simulations.

**an intelligent manufacturing system for heat treatment ...** - this research is focused on the integration problem of process planning and scheduling in steel heat treatment operations environment using artificial intelligent techniques that are capable of dealing with such problems.

**smart process management: automated generation of adaptive ...** - such intelligent techniques is based on a two-fold transformation process: from business models into planning domains, and from plan representations into executable processes.

**process planning optimization in reconfigurable ...** - hence; intelligent techniques can be utilized in manufacturing process planning optimization strategies that aim to improve operating levels in reconfigurable manufacturing with the resultant benefits of improved performance levels.

**intelligent visualization in a planning simulation** - intelligent visualization in a planning simulation robert st. amant, christopher g. healey, mark riedl, ... planning techniques and their relationship to physical processes. afs incorporates an assistant that works behind the scenes to generate plans potentially helpful to the user. a visualization interface presents these plans and their supporting information to the user by graphical means ...

**the role of artificial intelligence in software engineering** - the role of artificial intelligence in software engineering mark harman crest centre, university college london, malet place, london, wc1e 6bt, uk.

**intelligent human resource information system (i-hris): a ...** - applying hybrid intelligent techniques such as machine learning and knowledge-based approach for new knowledge extraction and prediction. in summation, the proposed framework consists of input subsystems, decision making subsystems and output
